In such cases, the management or such referee as he may appoint, may make decision, or the case may be referred to the Executive Committee, from whose decision there can be no appeal.

58. **Interference with Judges:** If any exhibitor, in any way, whether in person or by agent or servants, interferes with the judges during their adjudication, or shows any disrespect to them or the Show, the Show Management may demand a proper apology from such exhibitor, or it may exclude him or her from the ring and may also withhold exhibitor premiums and may bar exhibitor from future participation in the Heart O’ Texas Fair & Rodeo.

62. IAFE (International Association of Fairs & Events) National Code of Show Ring Ethics:

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structure classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the “IAFE National Code of Show Ring Ethics,” fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethic demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

a. All exhibitors must present, upon request of the fair and livestock show officials, proof of ownership, length of ownership and age of all animal entered. Misrepresentation of ownership, age or any facts relating thereto is prohibited.

b. Owners, exhibitors, fitters, trainers or absolutely responsible persons shall provide animal health certificate from licensed veterinarians upon request by fair or livestock show officials.

c. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.

d. Animals shall be presented to show events where they will enter the food chain free of volatile drug residues. The act of entering an animal in a livestock show is giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for Show Management to obtain any specimens of urine, saliva, blood or other substances from the animal to be used in testing. Animals not entered in an event which culminates in the animals entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statues, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with the federal, state and provincial statues, regulations and rules affect the animal’s performance or appearance at the event.

If the laboratory report on the analysis of the saliva, urine, blood or other sample taken from the livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer, transfer to the laboratory and analysis of the sample are correct and accurate of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medication for the sole purpose of protecting the health of the animal shall be administered by a licensed vet.

e. Any surgical procedure or injection of any foreign substance or drug or the external application of a substance (irritant, counterirritant or similar substance) which could affect the animal’s performance or alter its natural contour, conformation or appearance, except the external applications of substances to the hoofs or horns of animal which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.

f. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance or other similar practices are not acceptable and are prohibited.

g. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives or show officials before, during or after the competitive event is prohibited. In furtherance of their official duty, all judges, fair and livestock show management or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.

h. No owner, exhibitor, fitter, trainer or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute to cooperate with another person or persons either by
affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to
disciplinary action.
i. The application of this code of ethics provides for absolute responsibility for an animal’s condition by an owner,
exhibitor, fitter, trainer or participant whether or not he or she was actually instrumental in or had actual knowledge of
treatment of the animal in contravention of this code of ethics.
j. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer or absolutely responsible
person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and
any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act
of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock
show may be published with the name of the violator or violators in any publication of the International Association of
Fairs & Events, including Fairs and Expositions and any special notices to members.
k. The act of entering of an animal in a fair or livestock show is giving of verification by the owner, exhibitor, fitter, trainer
or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands
the consequences of penalties provided for actions prohibited by the code. It is further a consent that any action which
contravenes these rules and is also in violation of federal, state or provincial statues, regulations, or rules may be released
to appropriate law enforcement authorities with jurisdiction over such infractions.

Special Rules
1. This show is subject to the General Rules, Judges’ Rules and the following Special Rules.
2. **HEIFER VALIDATION INFORMATION:** To be eligible, all breeding beef heifers (including potential substitute heifers), MUST be validated with the Texas 4-H and FFA Breeding Heifer Validation Program. The deadline for heifer validation is June, 30, 2015, but exhibitors need to check with their local County Extension Agent or Agriculture Science Teacher for local/county deadlines. Show officials will collect DNA samples on Breed Champion and Reserve Breed Champion heifers as well as any other heifer designated by Show Management. Show management will make the final decision regarding any potential disqualification.
3. **Ownership/Registration:** Animals entered in beef heifer show must be owned by the exhibitor AND registered in the records of the respective breed association (in the name of the exhibitor) on or before June 30, 2015. Partnerships of any form will not be allowed.

It is the exhibitor’s responsibility to ensure the brand or tattoo is legible prior to arrival on show grounds. Exhibitors will be disqualified if their heifer does not have a matching tattoo or brand, or if the tattoo or brand is illegible. In the event of a disqualification, the next placing heifer with matching identification will advance. THE SHOW WILL NOT BE RESPONSIBLE FOR BRANDING HEIFERS OR ANY HEIFERS THAT NEED TO BE TATTOOED OR BE RE-TATTOOED!
5. **Substitutions:** Substitutions will only be allowed if the substitute heifer has been validated in the Texas 4H and FFA Heifer Validation Program.
6. Junior exhibiting animals sponsored by organizations which are holding the registration papers must obtain a photo static copy of the registration papers, or the papers themselves, and present them to the Superintendent for approval. In case of photo copies, both sides of the registration paper must be photographed and presented to the Superintendent. If the rules of the sponsoring organization prevent the transfer of registration papers to the exhibitor

   a. Any exhibitor who shows unassisted may compete in this class.
   b. Animal must be owned and entered by participant to show in this class.

10. **Safety**: The purpose for the Pre-Junior steer classes is to offer the opportunity to young cattlemen and women to participate in cow shows despite their lack of age required to show in a Junior Show. In many cases, these young people have spent HOURS at the barn with their parents and siblings working “show calves”. To go to a show and not be allowed to participate can be boring and tiresome for those with less than developed attention spans. Although the rules and regulations have been set, Safety is the important factor in this event. We want these young agriculturalists to enjoy their showing days, from the beginning on up, so please, make sure the children and animals are prepared to participate. Animals can be unpredictable, but the more time the exhibitor spends with the animal prior to the show, the better you can expect it to cooperate when the surroundings change.

11. **Animal Health**: Animals entered must be within the guidelines of the Livestock Health Requirements, Make sure your animal has all the required paperwork in order to enter and participate in the show. Brand inspections are required from areas within Brand Inspection Areas. Please check carefully the guidelines for each show, as they are similar but somewhat different.

The Heart O’ Texas Fair & Rodeo hosts a Food Challenge Show modeled after the hit TV Series “Iron Chef.” Food Challenge gives FCCLA, FFA and 4-H students from across Texas the chance to showcase their cooking skills, but also requires the students to know preparation, nutritional facts and origins of ingredients. Exhibitors compete as teams in this competition in which they are randomly assigned into one of four categories: Bread & Cereal, Fruit & Vegetable, Main Dish and Nutritious Snacks.

1. All General & Junior Show Rules & Regulations apply to the Food Challenge Contests.
2. EACH PARTICIPANT WILL RECEIVE 1 ONE-DAY GATE PASS TO THE HEART O’ TEXAS FAIR & RODEO WITH THEIR $10 ENTRY FEE.
3. The contest and teams will be divided into two (2) divisions:
   i. Junior: Ages 8-13 (Age as of August 31, 2015)
   ii. Senior: Ages 14-19 (Age as of August 31, 2015)
   b. Teams will consist of 3-5 members each.
   c. Teams will compete based on the age of the oldest member. Any junior may register and compete on a senior team.
4. The Texas 4-H Food Challenge Guidelines, including the official supply box list, can be accessed at: http://texas4-h.tamu.edu/healthy_lifestyles.
5. Contest Format: Teams will be randomly assigned to a contest category (see categories above).
6. Rules of Play: The following is a summary of the contest procedure and rules: A) Preparation: Each team will be provided with a set of ingredients, reflective of the assigned category, and will create a dish using them. The amounts of ingredients, based upon a recipe, and a clue will be at each preparation station. Teams are challenged with creating their own recipe with the ingredients provided. Each ingredient provided must be incorporated into the dish; however, the exact amount of each ingredient to use may be determined by the contestant. B) Resources: Each team will be provided with nutrition and food safety resources at the food preparation station to use in preparing their presentation. A worksheet will be provided for teams to write down the recipe invented, as well as other key points to highlight in the presentation to the judges. C) Presentation: After the preparation time, each team must present their dish and give an oral presentation to a judging panel.
7. Time: Each team will have 40 minutes for the preparation portion of the contest (prepare a dish, plan a presentation and clean up their assigned preparation area). Five (5) minutes are allowed for the oral presentation, followed by three (3) minutes for judges’ questions.
8. Question/Answer Period: At the conclusion of each team’s presentation, judges will have three (3) minutes to ask questions of the team related to the dish prepared and knowledge of nutrition, food safety and food preparation.
9. Supplies: Each team must supply their own equipment for the Food Challenge. Teams may only bring the supplies listed in the official supply box list (4-H Food Challenge Guidelines, see link above). Supply boxes will be checked by contest officials. Teams should plan to not have access to a kitchen facility and, therefore, should plan to clean supplies upon returning home from the contest.
10. Dress Attire: Teams should dress appropriately for food preparation and presentation to the judging panel. No open toed shoes allowed.
11. Teams that may experience any equipment malfunction(s) may not replace the equipment with supplies from another team, leaders, volunteers, county Extension agents or contest officials.    a. All team members must participate in the presentation, with at least three of them having a speaking role.
   b. Teams are allowed the use of note cards during the presentation but should not read from them, as this minimizes the effectiveness of their communication.
   c. Judges may ask teams questions that are not directly related to the dish prepared. Instead, some questions may address the general knowledge as related to any food and nutrition topic.
   d. No talking and no writing is allowed among any team members while waiting to give the team presentation. Team members caught talking and/or writing will receive a warning. Regardless of condition, muzzles may not be pointed toward or rested upon any part of the body of the shooter or another person. This includes the use of toe pads. The only exception is the limited exposure required in changing chokes. Violation of this rule may result in warning, disqualification from a round, or disqualification from a match.

The Heart O’ Texas Fair & Rodeo, NSSA and WT&SC are not responsible for the acts of a third party.

**Official Scores:** The official score is the record kept by the referee/scorer on a sheet furnished him/her by Management. The referee/scorer’s decision on whether a target is dead or lost is final. All reported scores are checked for accuracy and corrections will be made when required. Heart O’ Texas Trap Shooters Extravaganza Management maintains the objective of producing timely, accurate and complete scoring records for each event. They do not represent any club, county, team, or individual. The WT&SC, via the Shoot Coordinator, will be responsible for conducting any and all aspects of the event pertaining to “shooting” including, but not limited to: squadding, scoring, posting of scores, determination and conducting shoot-offs, determination of winners, and rules interpretation.

**Appeals:** A shooter may appeal a dead/lost ruling on the field if he/she feels a referee has missed a call. Once the shooter has changed posts, such right of appeal is lost. The referee may seek assistance from the official scorer or may poll the squad at his or her discretion. The decision of the referee in regard to dead or lost targets on the field is final and not subject to further appeal. A parent or coach’s score is not an official score and will not be consulted.
Protest: Shooters only may protest any injustice, violation of the rules, or other circumstances that may have resulted in placing them at a disadvantage relative to other shooters. Such conditions must be reported to the field referee immediately. If satisfaction is not obtained, the situation should be reported immediately to the Shoot Coordinator or Chief Referee. If resolution is not reached at this point, the shooter only has the right to present a written protest with a $20 protest fee to the Chief Referee or Shoot Coordinator within one (1) hour of the time their squad has finished or score was posted. The Protest Jury will investigate and reach final resolution of the matter as soon as possible considering all circumstances. Results of all protests are final and will be reported to the shooter. The names of the Chief Referee, Shoot Coordinator and Protest Jury members will be posted at the shoot.

Field and Range Boundaries: For multiple reasons, control of traffic on and around all fields and ranges is essential. Since coaching is not permitted on the ranges, there is no reason for a parent or coach to be on the ranges unless invited by the Range Officers. The field boundary is behind the gun rack/bench. Please respect these boundaries and the directions of officials. Failure to do so or argument with officials is considered unsportsmanlike conduct and will result in appropriate actions, up to removal from the event, range, area, or grounds.

Disruption: Parents, coaches or other individuals should remain positive and supportive, being careful not to disrupt or exhibit behaviors deemed detrimental to shooters or the operation of the match. Sanctions ranging from a warning to ejection from the grounds or disqualification of shooters may be imposed for interference with the operation of the match or disruption of the events on a firing line or field.

Coaching: Coaching during competition will not be permitted while participants are on the firing line. Coaching includes any communication between the coach, parent or other spectator and the shooter; verbal or non-verbal. The shooter may request assistance from a Range Officer and the Range Officer may assign an assistant.

Alcohol Policy: No shooting allowed following the consumption of alcohol. No alcohol is allowed on shooting ranges by participants or spectators. Consumption, use and possession of alcohol by persons under the age of 21 is prohibited by law and is not permitted anywhere on the grounds at any time.

Drug Policy: No shooting is allowed while under the influence of any drug or prescription medications that affects judgment and conduct to a degree that a participant is unsafe.

Tobacco Policy: No smoking is permitted on or near the firing lines or in any area where it would be considered inappropriate or in a situation where the smoke constitutes interference to shooters. Smoking, use and possession of tobacco products (including smokeless) by minors is prohibited by law and is not permitted anywhere on the grounds at any time.

Dress Code: Participants and spectators are required to dress appropriately. Both young people and adults should wear attire appropriate for the weather while remaining modest and socially acceptable. Shooters must wear a shirt with sleeves. Clothing deemed immodest or distracting to other shooters will not be permitted. Where eye and/or ear protection is required, fully enclosed shoes must be worn for safety reasons by both shooters and spectators. All shooters and coaches should remember that they may be having photographs taken or be asked to interview for the media.

Use of Two-way Radios: To assist us in range and match operations, only authorized persons are permitted to use two-way radios on the grounds. Any action by either youth or adults interfering with the frequencies in use imposes a safety hazard. Deliberate disruption of range communications by anyone at the event will be considered a safety violation and treated as such.

Practice: WTSSC will be open for practice (at shooters expense) from 1:30 p.m. until dark on Thursday, October 15, 2015 only. Trap fields will be open ONLY on Thursday for trap practice. There will not be any trap fields open for practice on Friday and Saturday.

Lewis Class System for the 2015 Heart O’ Texas Trap Shooters Extravaganza

There will be four (4) Lewis Classes (Class one (1) being the top Class). The Lewis Class calculation format below governs the 2015 Heart O’ Texas Extravaganza. Top 10 Extravaganza shooters in both Juniors & Seniors will not be included in the Lewis Class event. Top 10 shooters will be removed from the overall total, the remaining shooter scores will be listed in descending order. The remaining shooters represent the total Lewis Class number used in the following calculations.

The list of shooters scores will be divided into classes by placing dividing lines (original line) based on the following calculation:

- Total number of shooters in Lewis Class divided by number of classes
  - i. If the result is a whole number, it is the number of shooters for each class
  - ii. In the event that the calculation does not end up as a whole number, the whole number portion of the result is the base number for each class. The remainder is to be multiplied by the number of classes. This will generate a remaining whole number that will be less than the total number of classes. This is the number of classes that need to have one (1) added to the base number, starting with the lowest class and then moving up.

When an original line is placed between a number of tied scores, the shooters will be reassigned as follows:

- Majority above the line, those shooters below the line are moved above the line.
- Majority below the line, those shooters above the line are moved below the line.
- Equal number above and below, those shooters above the line are moved below the line. Only the lines with ties are moved. The original lines in all other classes remain as originally drawn. There is the possibility of having a significantly different number of shooters for each class.

\[
4 \times .5 = 2 \quad \text{The two lower classes need to have 1 added to the base number}

Special Rules
1. This show is subject to the General Rules, Judges’ Rules and the following Special Rules:
2. Animals must be registered in the American Brahman Breeders Association (ABBA) to be eligible to compete in association sponsored shows. The registration certificates for each entry must be available for presentation to the Superintendent or Show Management at the time entries are verified, prior to judging.
3. The registration number and animal identification number (number branded on animal) of (1) each animal must be entered in an individual class, (2) the sire of each Get-of-Sire entry and (3) the dam of each Produce-of-Dam entry must be listed on the entry card of each animal entered.
4. Entries that have not complied with rules one (1) and two (2) will not be eligible to show, receive premium monies or earn points in the association’s Register of Renown.
5. Animals to be eligible to be shown in group classes must be entered and shown in individual classes.
6. Entries will be listed numerically according to age (oldest first) in catalogs and judging schedules. Include animal identification number (number brand) as a part of identification. When entering the arena for judging, the handlers will line cattle up numerically in the same order.
7. Judges will be allowed to comment on placing in selected classes when conditions permit.
8. Each animal will be presented in the show ring in its natural conformation and structure without alteration or modification. Alteration or modification shall be defined to include any surgical or circulatory constrictions including banding or other appearance change, save only branding, tattooing, foot trimming or dehorning. Injections of foreign substances internally for cosmetic purposes, steroids, growth hormones or stimulants shall be prohibited. If to the satisfaction of the ABBA’s staff, officers, executive committee or board of directors and animal has had its natural conformation and structure altered or been administered steroids, growth hormones or stimulants; then said animal shall be ruled ineligible to compete until such time the executive committee and owner/owners have reviewed the case. Any violators both owner & fitter will be in-eligible to exhibit cattle at ABBA Approved Shows for 5 years.
9. If any exhibitor/owner/showman interferes in any way with the judge or shows disrespect to him, or to the show in the ring, the exhibitor/owner/showman may be dismissed by the judge or show management from the ring. The management may withhold from each exhibitor/owner/showman any premium monies that may have been awarded or take other steps deemed desirable.
10. In cases where families, companies, corporations, etc. are operated as a unit under the same management, but have cattle also registered in the name of individual partners, said cattle, even though bearing a different ownership band, are eligible to be shown under the firm name provided they have not been and will not be shown in the name of the individuals.
11. For females being shown in the three oldest classes (females calved September 1, 2011 – August 31, 2011 for Fall Shows), exhibitor must have certificate of pregnancy issued by a licensed veterinarian which will be presented to show officials at time of check-in or registration paper check. The show reserves the right to perform pregnancy determination by palpation for females in the above classes at any given ABBA approved show if any official
protest has been filed. Females exhibited in the last class at Spring Shows MUST have a calf at side. For Fall Shows the last class of females is required to have a calf at side also. The only exception to this rule will be cows that have already weaned a calf and a registration certificate of the calf MUST be presented to the judge.

12. All bulls will be shown with a nose ring or nose restraint with lead attached. For bulls showing in the oldest class, the exhibitor must have a certificate issued by a licensed veterinarian stating the bull has produced viable semen. This certificate must be available for inspection by the judge on request.

13. The following deals with the Produce-of-Dam and Get-of-Sire classes:
   a. Embryo Produce-of-Dam: two animals from the above classes produced by one dam by embryo transfer either or both sexes may be presented. No ownership requirement.
   b. Natural Produce-of-Dam: two natural born animals produced by one dam from the above classes, either or both sexes may be represented. No ownership required.
   c. Get-of-Sire: four animals from at least two dams by one sire from the above individual classes, both sexes represented. No ownership required.

14. No exhibitor shall be permitted to show more than one Produce-of-Dam or Embryo Produce-of-Dam entry per dam.

15. Cows that are exhibited with calves at side must be in a lactating stage. Calves must be shown and exhibited with their dams and said calves must not exceed 240 days of age on day of judging. The ring steward will make the judge aware of those cows whose calves are ineligible to show by this rule.

16. Cattle will not be allowed to show if their switches have been balled or glitter applied to their skin.

17. The intent of ABBA in shows that exhibit a large number of cattle is to have a separate red and grey show. If so, the following procedure will apply. All grey cattle and solid black cattle will show grey. Red, black and white speckled or red and white speckled cattle will show red. Cattle with questionable colored pigmentation may be entered in the color division the breeder selects, however, said cattle are subject to inspection by a 3 member ABBA Committee. If the Color Committee disagrees with the breeder, the pedigree of said animal will then be used to aid in the final determination, where color pigmentation will take preference. In those cases where questionable colored cattle possess both red and grey breeding, then the Committee will make the final determination. The decision of the Committee is final. Once animals have been classified, they will remain in that classification unless they were young at the time of classification and it is apparent that they have changed their color. In Get-of-Sire and Produce-of-Dam classes, breeders will not be allowed to show cattle of varying color. They will be entered as to the color division they were assigned by the Color Committee for the show. At split shows where the Color Committee is not present, a staff member with (2) ABBA directors will clarify questionable colored cattle for that particular show.

18. The owner of record of any registered animal entered in an ABBA approved shows and/or his/her agent, exhibitor, fitter, handler and/or representatives releases ABBA and its representatives from any and all liability that seller/owner might claim as a result of injury of any kind sustained before, during or after handling cattle for any ABBA board approved activity.

19. For shows to remain approved point shows by ABBA, they must maintain a 40 head average for the previous two years.

20. The official ABBA rules and procedures governing showing and exhibiting of registered Brahman cattle supersede any rules printed in any show catalog.

21. In an attempt to insure that all animals receive an equal evaluation at the National and International Shows, classes with more than 30 entries may at the discretion of the Show Management and/or ABBA Officials, be split by age as evenly as possible.

22. No exhibitor shall be permitted to show more than one produce or embryo Produce-of-Dam.

23. The judge will use the ABBA Standard of Excellence to judge both the Red and Grey Brahman Shows. All other rules listed will apply to both shows.

24. Exhibitor must designate if animal is Red or Grey at time of entry.

25. Ribbons will be given for places 1st through 6th. Rosettes will be given for all Champions and Reserve Champions. Special awards will be given for Grand Champions and Reserve Grand Champion Females and Bulls. Division and Grand Champion Awards presented by the Heart O’ Texas Livestock Show and the ABBA.

36. The Heart O’ Texas Livestock Show reserves the right to change the show schedule, delete classes or add breeds/classes at the discretion of the Show Officials.

Red & Grey Show Rules
The Heart O’ Texas Livestock Show will offer shows for both the Red and Grey Brahman cattle. All classes and premium support will be prorated in each class, and both shows will be held on the same date, at the same time and judged by the same judge. The champions of these two shows will not compete against one another for Grand Champion Brahman.
The cattle will be judged in the following order:
1. The Brahman Show will begin with the Red Brahman classes first. All calf classes will be judged through Reserve Calf and Calf Champion Red Brahman.
2. Then the Grey Brahman classes will enter the ring and be judged through Reserve Calf and Calf Champion Grey Brahman.
3. This procedure will be alternated between Red and Grey Brahman Shows until all age champions and reserve champions have been selected.
4. After this, Calf Champion, Intermediate Champion, Junior Champion and Senior Champion Females of the Red and Grey shows will be brought back to the ring at the same time. The judge will then select the Champion Red Brahman Female and the Champion Grey Brahman Female.
