| 9:30am | Head Home |

Come join in on District 10's very first community service campout! Our campout will take place at the beautiful Garner State Park, in Real County, specifically the camp grounds of Pecan Grove. Pecan Grove is a site for tents only, meaning there will be no electricity, so you can connect with the great outdoors! Each county will need to provide enough sleeping space for their county's attendees. This campout is for senior 4-H members (ages 14-18), OR intermediate and junior 4-H members who are accompanied by a parent. Dinner on Saturday night, and a light breakfast on Sunday will be provided, but we ask that campers bring their own sides and snacks for meals and downtime. The charge will be \$25 and you have to register on 4-H connect, **registration will open on Wednesday, September 24 @ 8:00am and will close on Wednesday, October 8, 2014.** The campout is **limited to 40** District 10 4-Hers/Adult Volunteers, however, we have to have a **minimum of 20** people sign up in order for the campout to not be cancelled. Tell your fellow 4-H friends and don't miss out on this district-wide community service project!
