Limited number of entries (Sending certified mail is strongly advised)**

The one day clinic/show will be held August 5, 2017 beginning at 8:30 am at the Italy ISD Ag Science Facility located in the 900 block of FM 667 in Italy, TX 76651. Kids of all ages are welcome to attend. For the clinic groups will be divided by age. You may bring as many animals as you want. Animals will be shown out of trailers throughout the day. Be sure to bring buckets and drench guns to keep the animals hydrated. We have an indoor facility but not air conditioned so it is advised to dress cool and if you prefer to bring showmanship clothes for the show part of the clinic you may do so. The camp cost includes the clinic, show, a T-shirt, informative guide book and a halter. We will have drawings for prizes every hour and each of our instructors will award a Top Hand banner to individuals in their group that is most improved after the show. Campers must be present to receive this award. There will be a concession stand available to purchase snacks and lunch and all proceeds benefit the Italy FFA. The Showmanship Showoff will be at 2:00 pm. Show classes will be divided by skill and technique which will be observed throughout the clinic. A buckle will be awarded to each winner in the Novice, Intermediate and Advanced division. Stay tuned to the Harris Livestock facebook for updates on the event.
