Safety Agreement: All competitors will be required to complete a safety agreement prior to picking up their registration packet at the event. Shooters will not be allowed to compete without a completed agreement. **NO EXCEPTIONS!**

Teams: There will be **NO** team event at this tournament.

Concessions: Concessions will be available throughout the tournament.

Maps: Layout maps of the facility will be provided to each contestant with their registration packet. These maps will depict the locations of all venues during the tournament and will also be available online.

Tie Breakers: Any ties in the Sporting Clays event will be decided by a Station Tie Breaker. All other events will have tie settled by a shoot off. There will be no Puff Rounds for the International Events.

Parent/Coach on fields: **No coaching will be allowed while the youth shooter is on the field or in the cage during events.** For safety reasons, parents will not be allowed on the skeet or trap fields. Distinctive barriers and signs that designate the fields from the spectator areas will be in place and will be pointed out to all attendees. Failure to adhere to this rule will result in the disqualification of the youth shooter affiliated with that adult for that event. On the WHIZ-BANG and Sporting Clay field spectators, parents or coaches will maintain a respectable distance from the shooting cages to allow the referee room to officiate the match. At no time may the parent, coach or spectator interfere with the duties of the referee. Failure to respect this will result in the disqualification of the youth shooter affiliated with that spectator, parent or coach. Continued failure to adhere to these rules will result in the expulsion of the parent, coach or spectator.

Shooting Carts: The following is a non-negotiable Hill Country Shooting Sports Center policy on the use of shooting carts at the facility. If you are planning to bring a clay cart on the property, you must complete a cart agreement form and show proof of **CART** insurance. All completed forms can be mailed prior to the shoot to **Hill Country Shooting Sports Center, 1886 Cypress Creek Rd., Kerrville, TX 78028. Attn: Clay Cart Policy** or can be brought with you to the shoot. Forms can be acquired by calling 830-995-5118. Drivers must be at least 16 years of age and have in their possession a valid driver's license. In addition, a parental unit must accompany any driver under the age of 18. Failure

to adhere to these rules will result in the cart being parked for the remainder of the tournament. Any reckless driving or entry into off limits areas will result in the same penalty. Range staff will have the sole discretion in this matter. Carts may not carry more persons than they are designed to transport.

Pets: **Pets are allowed on the facility, but must be on leash at all times.** No pets allowed in the buildings. Please pick up after your pet.

HOA: The Kerr County HOA division is in each age class including ladies. HOA scores are determined by the totals of American Skeet, American Trap, and Whiz-Bang added together.

Novice Class: There will be **NO** novice class at this tournament. All youth shooters will be classed based on their age division per 4-H rules.

Ladies Class: There will be a ladies class at this tournament divided by age categories Junior, Intermediate, Senior. Ladies may designate to shoot in the Open division; otherwise all female shooters will default to Ladies division. Once chosen the lady will remain in that class for the entire tournament. A Ladies HOA will be awarded.

Scores: Score will be available online real time at: <https://www.iclays.com/scores/scores5433.html>. Monitors may also be available to see the scores at the facility. Scores may be checked at anytime by wireless Internet provided at the facility.

4-H Enrollment: This is a 4-H event; therefore all entrants must be members of a Texas 4-H Club. All entrants must register and shoot with the 4-H County that they are enrolled in. (Ex. If you are member of Gillespie Co. 4-H, who does not have a shooting program, but practice with the Kerr Co. 4-H program, you must enter this shoot as Gillespie Co.)

Protest Procedure: Protests should be initiated immediately, and no protest will be considered after the awards ceremony for that event has started. A formal protest may be initiated by the shooter **only**. Parents or coaches may not initiate a protest or participate in writing a protest statement. The formal protest procedure follows:

- a) State the complaint orally to the field referee, if not satisfied by the decision then;
 - b) State the complaint orally to the chief referee, if not satisfied by the decision then;
 - c) File a written protest with the chief referee within one hour after the completion of the recorded rounds in question.
1. **Protest fee** – A protest fee of \$25.00 must accompany any formal or written protest. If the protest is sustained, the fee will be returned. If it is denied, the fee will be retained by the shoot management.
 2. **Protest committee action** – The protest committee will act on the formal, written protest in an expeditious manner to reach resolution as quickly as possible. Failure of the protest initiator to appear when requested by the committee is justification for summary dismissal of the protest unless the content is clear without such appearance. Excessive, adversarial or abusive argument by any person involved may be treated similarly. Committee actions will be announced in private prior to the event awards ceremony.

Code of Conduct: The current 4-H code of conduct will be enforced both on & off the fields during this event. Shooters, volunteers, family members, or observers may be expelled from the event, match or grounds for failure to comply. Shoot management reserves the right to refuse future registration to any shooter who does not comply with the current 4-H code of conduct.
