Creedmoor Club was originally founded in 1921 to assist homemakers in learning how to can vegetables and help support the community. Today, we continue this tradition through community service, and working together to expand our interests and knowledge in home and family, health and nutrition, crafts, gardening and plant care.

Twice a year we tour surrounding towns to get new craft ideas, eat good food and shop. We participate in Walk Across Texas, Raise-A-Reader Program, County EEA Bazaar, County and District Cultural Arts Competitions, and Awards Program; donate to Creedmoor 4-H Club; and work at Creedmoor’s Community Center Mayfest and Oktoberfest. We also donate to the Travis Co. Sherriff’s Department Brown Santa Program and give stuffed animals to them to use as needed by patrol officers.

The club meets on the 2nd Tuesday of each month. We also have several crafts workshops during the year to learn new crafts, make items to sell at the bazaar and Creedmoor Festivals, and to just enjoy ourselves and go out to eat or try new recipes during workshop luncheons. For more information, meeting dates and locations call 512-282-1355.
