"STICKS TO YOUR RIBS"

Peach Pecan Bar-B-Q Sauce

South Texas Mesquite Bar-B-Q Sauce

A Texas barbecue sauce to the max! Combines the best barbecue spices, tomato puree, cider vinegar, smoky mesquite flavoring and a hint of heat. Slather on slow-smoked brisket or baby back ribs for the down home Texas taste.

A KICK OF HEAT!

Raspberry Peach Chipotle Glaze **Best Seller!**

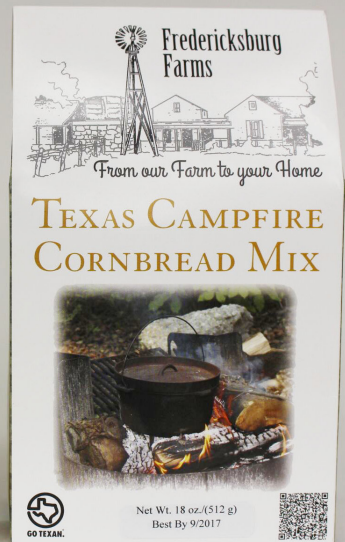

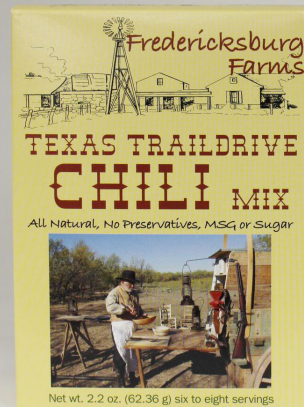

We know there are other raspberry chipotle sauces out there on the market, but we took ours to new heights of flavor harmony with the addition of peaches! Our sauce is delightfully smoky, has a bit of sweet and a hint of heat. The peaches add a smoothness to the bite of the chipotle peppers - kind of tames 'em down. Great for grilling pork, or makes a great dip with a flick of the wrist when poured over cream cheese.

Sweet Hot Jalapenos

These candied jalapenos are delicious. Use them in casseroles, on hamburgers or nachos, or in place of pickle relish for devilishly deviled eggs. Try it spooned on ice cream for a kick!
