

4-H FASHION STORYBOARD WORKSHOP

Monday, March 10, 2014

Why A Fashion Storyboard

The 4-H Fashion Storyboard is an industry-inspired method of displaying original designs. The best storyboards create vivid visual images that are interesting and appealing to viewers. The storyboard “tells the story” of the designer’s idea. The storyboard includes original illustrations and flats, as well as additional materials (such as photos from the Internet or magazines, paper, fabric swatches, patterns, etc.) that have influenced the unique design.
