

# Tournament Rules

- All release of liability forms must be signed by the youth and parent (guardian) prior to or at registration.
- Children 17 years of age must be accompanied by a parent or responsible adult.
- Only bullet tips and field tips will be allowed. Arrows must be appropriate spine weight for that bow.
- Absolutely no sky drawing. Bows must be drawn down range towards the target.
- No alcoholic beverages may be carried or consumed in the park at anytime.
- Before firing an arrow be sure the area behind and around the target is clear of all living creatures and objects that could be endangered.
- If you must look for a lost arrow place your bow in the designated area or in front of the 3-D target so others will know you are behind the target.
- You will have 3 minutes in which to look for lost arrows.
- Shooting at any living creature is not allowed in the park at anytime.
- Wait until all arrows have been shot before going down range to pull your arrows. We will be using the universal whistle system for safety. Archers must be proficient in handling/shooting a bow as to not slow down the other archers.
- 3-D shooting will be done in groups with the oldest archer responsible for helping with scoring and to make sure that everyone in the group has shot before going to the target to retrieve arrows. Make sure shooting on either side of you has finished before approaching your target.
- Each archer will help score the arrows of the other archer. If there is a disagreement as to where an arrow is to be scored, archers will have range commanders settle the disagreement.
- No glass containers inside the park. Treat property with respect. Vandalism and theft will be prosecuted.
- No rangefinders allowed. Binoculars, cameras and/or video cameras are welcome.
- Decision of officials will be final.
