San Antonio Livestock Exposition, Inc.
2015 JUNIOR SHOW ENTRY CERTIFICATION RULES

By signing the entry form:

The undersigned Exhibitor and his/her Parent or Legal Guardian, County Extension Agent (CEA) or Ag. Science Teacher (AST) hereby certify that each has read, understands and will abide by the current San Antonio Livestock Premium List and all rules and regulations of the San Antonio Livestock Exposition, Inc. (S.A.L.E.). We further certify that we have not administered and, to the best of our knowledge, any entry from this exhibitor has not received any substance not approved by the FDA and/or USDA. In instances where an animal has been administered a drug that is FDA approved for its species, the exhibitor must be aware that the time it takes for all drug residue to completely clear the system is generally longer than the labeled withdrawal time for most drugs. S.A.L.E. maintains a ZERO TOLERANCE POLICY for unethically fitted livestock. Adequate time must have passed so that the animal does not test positive for drugs upon arrival. Once the animals arrive on the S.A.L.E. grounds, they must remain free and clear of all drug and chemical residues.

Veterinarians / Medication: Animals under the care of a licensed veterinarian and/or taking any type of performance enhancing medication to include, but not limited to steroids, diuretics, anti-inflammatories, tranquilizers and painkillers, are ineligible for competition. Exhibitors with questions regarding medications and/or eligibility should consult with the Official S.A.L.E. Veterinarian prior to competition.

The Official Show Veterinarian Office is located at the North end of Cattle Barn #2. For the convenience of exhibitors, S.A.L.E. arranges to have veterinarians available; however, they do NOT donate their services or medications. Fees should be discussed before treatment.

All medication administered during the livestock show must be administered by the Official S.A.L.E. Veterinarian and a written medication record must be filed. Animals receiving performance enhancing drugs (e.g., steroids, diuretics, anti-inflammatories, tranquilizers and painkillers, etc.) in this manner are ineligible for competition.

The Exhibitor agrees to submit any animal, breeding and/or market, entered by him/her to inspection by any veterinarian or testing agency appointed by the Executive Director & CEO of S.A.L.E. and agrees to have such animal submitted to such tests as may be requested at any time. S.A.L.E. also reserves the right to have ultrasound, D.N.A., blood, tissue and /or urine laboratory analysis made on any animal entered for competition. The Exhibitor, including his/her Parent or Legal Guardian, CEA or AST for junior exhibitors, must be present during the collection for testing and must witness, seal and sign the sample; thus verifying the sample to be properly collected and prepared for analysis. The conclusions reached by the veterinarian and/or testing agency and analyses shall be final and conclusive without recourse against S.A.L.E. or any officer, director, employee, independent contractor or agent thereof, including, without limitation, any veterinarian or testing agency appointed by the Executive Director & CEO (collectively referred to as the Released Parties). The Exhibitor waives any right of action which he might have for any action taken under this rule, and releases the Released Parties from any and all claims or demands whatsoever in connection with the inspection or testing of any such animal or any ruling or action taken by reason of the conclusions of such veterinarian or testing agency.

As breeding animals are not entering the food chain, the USDA Wholesome Meat Act does not apply; however, breeding animals will be closely screened for any performance enhancing compounds. This includes, but is not limited to, steroids, diuretics, anti-inflammatories, tranquilizers and painkillers.

In the event any animal is declared by the veterinarian or testing agency to be unethically fitted, the Executive Director & CEO is authorized to permanently bar the Exhibitor and his/her family from any further participation in any S.A.L.E. events. Reinstatement of anyone barred may be made only by the Executive Director & CEO. The Exhibitor will forfeit all titles, awards, prizes, auction proceeds, premiums, scholarships and market/floor money if the animal is disqualified.

The Exhibitor and his/her Parent or Legal Guardian, CEA or AST understand and agree to the Civil Authority Evacuation Statement as well as the Liability and Release and Indemnity Rules (page 32, Sections 6a & 6b) as stated in the General Rules of the Livestock Premium List.

Market Animal Eligibility: To meet Country of Origin labeling requirements, all animals entered or exhibited in a Junior Market Division must be bred, born and raised in the United States.

WARNING

UNDER TEXAS LAW (CHAPTER 87, CIVIL PRACTICE AND REMEDIES CODE), A LIVESTOCK SHOW SPONSOR IS NOT LIABLE FOR AN INJURY TO OR THE DEATH OF A PARTICIPANT IN A LIVESTOCK SHOW RESULTING FROM THE INHERENT RISKS OF LIVESTOCK SHOW ACTIVITIES.

SUBSTITUTE FORM W-9

Certification: Under penalties of perjury, I certify that:

- 1) The number submitted online and included on the online summary is my correct taxpayer identification number, and
- 2) I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interests or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding.
